Newsletter

Wednesday 6th January 2021

We are so sorry that we only managed one full day back before we were told to close... It was so lovely seeing all the children again on Monday. Thank you so much to all the parents who have sent us kind words and their moral support. We really appreciate it.

Please now support your child during the lockdown period not to fall behind with their education and complete all their home learning each day. Thank you.

The safest place for children to be during this national lockdown is at home or being cared for in a childcare bubble. Nursery is still under review, we may move to a keyworker nursery model if the numbers are too large for our current risk assessment.

Please ensure your telephone number, email address and contact details are up-to-date in school. So that we can contact you during this lockdown period.

NATIONAL LOCKDOWN

We must now stay at home and only leave to:

- Shop for basic necessities.
- Go to work if you can't work from home.
- Exercise outdoors.
- Seek medical assistance or escape harm.
- Attend keyworker of vulnerable places in education or attend a nursery place.
