Lateral Flow Testing

Most staff in school are now having 2 Lateral Flow Tests in school each week. These tests aim to detect staff who have asymptomatic Covid-19. As before any positive cases in school will be shared with parents and bubbles may need to close.

Safeguarding during lockdown

Are you or your child worried about something? As a school community, safeguarding is everyone's responsibility; If you have any concerns about the welfare of any of our children or you need to share something about your own child during this lockdown, please press the red button on the home-page of our website and tell us all about it. It is a secure way to send us an alert.
