Message from Calderdale Libraries

We know these are really difficult times for everybody, not least for those of you working to continue the teaching and learning for all our children.

We in the Library Service wanted to be able to help so we have made a short film to show children and their families how easy it is to join Calderdale Libraries and to access all our free books.

Please view the following link;

Joining the library is FREE, it doesn't cost any money and we have an abundance of eBook, eAudio books, eMagazines & comics available to enjoy.

It's also FREE to print homework in Calderdale Libraries; families can email documents through to the local library and we will let them know when it's ready to collect.

We love working with children & families and look forward to doing so again. However, for now our Rhymetimes, Storytimes & Craft Sessions are taking place virtually on our social media pages. Go to our Calderdale Libraries Facebook page to find out more about upcoming events.
