Newsletter

Wednesday 10th March 2021

We were delighted to welcome all the children back on Monday. It has been lovely to hear all the children back with their friends playing, laughing and learning.

We want to be able to keep all the children in school and not have to close any bubbles over the next term. But we need your support for this to happen. We ask that all our families, adults and children, continue to follow the government guidance on meeting others and continue to follow guidance on social distancing.

We want to be able to stay open and continue with face-to-face teaching so please ensure you follow the government guidance in all aspects of your life.

Please don't rely on texts for information about what is going on in school. Please ensure you are checking our website each week and are reading our weekly newsletter so that you know what is going on in school.

Our March Parents' Evening would normally be next week. As the children have only just returned to school, teachers won't have had time to make judgements about where the children are in terms of their age related expectations. Therefore we won't hold a parents evening next week.

PROGRESS
REPORT

Teachers will be making assessments of the children's progress across the curriculum over the next few weeks and on Friday 26th March a short interim report will be sent home.

We expect that some children who haven't fully accessed home learning may now have some gaps in their learning. Teachers will be working extremely hard until the end of this academic year to identify these and work towards ensuring these gaps are filled. This will be supported by the 'Catch Up' funding received in school.

Our Christian value this half term is:

HONESTY

**READER OF THE
