On Friday a short interim report will be sent home, this report is to give you an idea of where your child is working in terms of their age related expectations and the possible impact lockdown down has had on their learning.

The variation in how much home learning was completed has differed between children and could have impacted on your child in the short term. But, please remember that staff in school are working exceptionally hard to ensure gaps in learning are filled and that all children get back on track across the curriculum. A fuller school report and parents evening (if restrictions allow) will be offered hopefully in July.

Please **DO NOT** park on Church Lane, which runs parallel to the graveyard, during collection and drop off.

On Friday we will sadly say goodbye to Mr Ingham. He has worked at our school for 5 years and we would all like to say thank you and wish him good luck with his new adventures.
