## Transition Day

Unfortunately we have had to make the difficult decision to cancel transition day.

This is due to;

- 2 classes isolating
- Shortage of staff for some classes
- Todmorden High school cancelling the Year 6 day
- Not wanting to mix staff and bubbles after a single confirmed case of Covid-19

School will run as normal on Friday with children staying in their own current classrooms.

Thank you for your understanding.

### Aspiration Week—This Week

This week has been aspiration week in school. The children have spent time thinking about their future, their dreams, their hopes and possible future careers. Please ask your child what they have been up to.

End of year reports will come home tomorrow on Thursday 8th July. Year 1 and Year 2 children's reports will be emailed and a hard copy sent home next week. Parents who would like to discuss this report or ask any questions will be given the opportunity to have a telephone appointment with their child's class teacher on Wednesday 14th July between 3:30pm and 5pm.

Please wait for your child's report to come home and if you find there is something you would like to discuss please arrange an appointment with your child's teacher through Google Classroom.

Reception had a visit from the police—who spoke to them about what their job entails. The children also found out about what might happen if they chose another path in life and what might happen! The children asked some fab questions!

Class 1 visited the fire station to find out what it is like to be part of the emergency services. Nick, the fireman, sent us this picture as he was so pleased with Class 1's drawings!
