Dear Parent/Carer at Todmorden C Of E Junior, Infant & Nursery School,

I hope you are well.

I am writing to invite you to join three FREE online Parent/Carer Information and Awareness Sessions with Pace (Parents Against Child Exploitation). These sessions have been organised in partnership with your child's school in order to give you additional knowledge and tools to safeguard your child from child exploitation.

Pace is a leading national charity which brings the parent perspective to tackling child exploitation. Our expertise comes from years of experience of working with parents, which is reflected in our training courses and in our approach to working with other professionals.

The sessions are an opportunity to understand the signs that a child may be being exploited, increase your confidence to respond safely, and learn how to support a child who may be at risk of being exploited criminally or sexually. You will have the opportunity to ask questions, share your concerns and connect other parents and carers.

The sessions will be delivered online via Zoom, as follows:

Date and time	Topic	What you will gain from the session
6 th October 6:00 - 6:45pm	What is Child Exploitation?	<ul style="list-style-type: none">- Understand what child exploitation is.- Understand the signs of child exploitation.
