Wednesday 9th March 2022

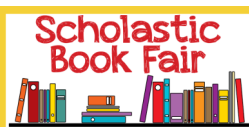

Your request for a parents evening appointment should now be in and an appointment should come home by the end of the week. Please arrive promptly for your appointment and do not run over your allotted 10 mins so that all appointments are timely. Thank you.

Don't forget
parents
evening!

We will be asking you to complete a parental survey at parents evening—these will be given out on the main door and a box to drop them in will be situated on the same table by the front door. Your feedback is always important to us and we value your comments. Positive feedback is as important to us as to how you think we could improve. We look forward to hearing your feedback.

There will be a Scholastic Book Sale each evening in the hall between the 14th and 18th March. By buying a book for your child you will also support the school in gaining free books. Don't forget to bring your World Book day voucher for £1 off. This is a cash only event.

Do you have a bike lock?

Really near our school there are two new bike racks. Have you seen them? Your child could ride most of the way (with adult supervision) park up and then walk the last few meters. A great way to be active before and after school!

It has been brought to our attention that there is a new online horror game which some children are talking about in school. It is called Poppy's playtime and is based on a toy which chases you around a toy factory. There is not an official rating for the game however it is causing some of our children upset. Please read the information in this link. <https://oursaferschools.co.uk/2021/12/03/poppy-playtime-online-safety-review/>

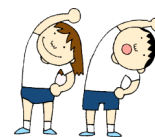

Our Lent Charity, Save the Children, has now been named as one of the main charities working with the Disasters Emergency Committee (DEC) supporting the people of Ukraine at this terrible time. We are delighted to support this charity with our 'Grow a £1' initiative and we hope your child's plans are underway on how to make their pound grow!

Grow a £1

Please can all parents ensure that children have a full PE kit in school that includes a house T-Shirt, black shorts and pumps or trainers in a house coloured pump bag.

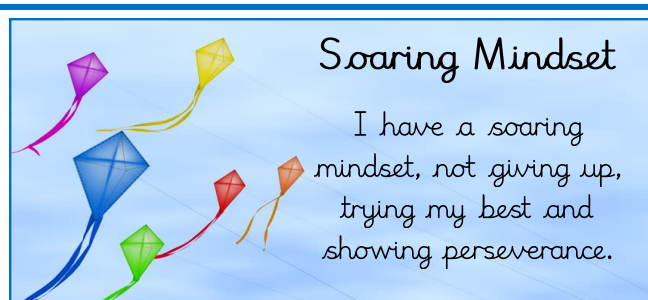

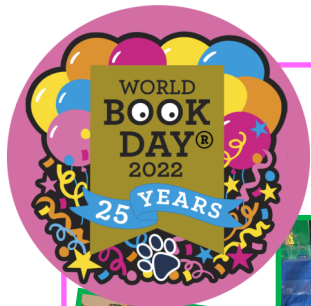

Active School Shout Out!

Well done to Elsie Aspinall who ran her first race for Todmorden Harriers Juniors. She won a £5 book voucher and some sweets as she was the first (and only) girl under 9 to race. Well done Elsie for getting active!

Who else will get an active shout out? Make sure you keep telling us how you are active on google classroom.
