

# National News

Wednesday 27th April 2022

Welcome back into our Summer term... It was lovely to have so many happy smiley faces back in school on Monday.

Please remember each class will lead a collective worship this term and parents are invited to attend.

## CONGRATULATIONS

Congratulations to Sally Eaton who had a beautiful baby girl at home last Friday. A early surprise for her, her husband Taz and Eliza!

We can't wait to meet her!

WOW...Our 'Grow £1' has proven what creative, aspirational entrepreneurs our children are. During Lent our children were given £1 and asked to make it grow. From making cakes, creating jewellery, holding raffles, doing active challenges, baking dog treats, making personalised crafts, selling Easter eggs, washing cars, doing household chores and so much more!

They raised an amazing £5579 - Wow!

## Grow a £1

Please can all parents ensure that children have their essential equipment with them in school each day. This includes; a school water bottle, their PE kit, book bag and reading book. Thank you.

The Year 6 SATS will be completed in the mornings of the week beginning 9th May. Children will be encourage to do their best—that's all we ask. Breakfast will be served to year 6 during this week from 8:40, come early for your choice of toast & toppings. We ask that all children attend on this week. If your child is genuinely, seriously ill for any reason—please contact Mrs Leadbitter so that we can attempt to make alternative arrangements. Thank you.

**TRY**  
—YOUR—  
**BEST**

We would like to invite the parents of each class to come into school and join in their child's collective worship on the dates below. Please be aware that photography or videoing by parents of these workshops is forbidden. We look forward to seeing you there.

Wednesday 11th May— RECEPTION  
Wednesday 25th May— CLASS 2  
Wednesday 8th June— CLASS 3  
Wednesday 15th June— CLASS 4  
Wednesday 22nd June— CLASS 5  
Wednesday 6th July— OWLS  
Wednesday 20th July—CLASS 1

This week's active shout out goes to Theo Claxton, who during the Easter holidays, rode his bike all the way to Hebden Bridge and back, a huge 10 miles!

Well done Theo.

In line with Government guidance, we are now recording any Covid related absence as an illness so this will affect your child's attendance percentage. Home-Learning for children who are ill is no longer required.

Please be reminded that your child's attendance should be at 95% or above. When a child's attendance goes below this level it is tracked in school and you may be contacted by our school's Education Welfare Officer based at Calderdale Council who may issue warning letters, fines or invite you to attend a meeting regarding your child's attendance. Fines can be issued for holidays in term time.

Good attendance supports your child's learning, progress across the curriculum and ensures they don't have gaps in their knowledge. Thank you

A club list has been emailed today and a copy should be in your child's book bag. These need to be returned by Tuesday 3rd May.

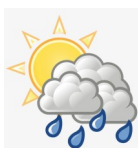

### Summer Term Learning

## OVERVIEW

Each class now has a curriculum overview for the Summer Term on their class page on the website. Please have a look at what your child will be learning this term.

### Changeable Weather

Please can all parents ensure that for the rest of the term children come to school with a waterproof coat (even if the weather looks sunny and warm in the morning) and also have sunscreen applied before school. The weather is changeable, we will play out in all weathers and children without coats may have to miss their playtime if it rains. Children can catch the sun by being outside for 15 to 30 minutes. We are encouraging teachers to get the children outside as much as possible. Thank you for your support with this.

## Soaring Mindset

*I have a soaring mindset, not giving up, trying my best and showing perseverance.*

Bunnies =	Rowan Mountain
Owls =	Otis Roberts
Reception =	Ollie Riding
Class 1 =	Theo Claxton
Class 2 =	Elsie Aspinall
